Admission Arrangements 2021/2022

1. Introduction

- a. Magna Learning Partnership is the admission authority and responsible for the admission arrangements of The Trafalgar School at Downton. This document sets out the admission arrangements of The Trafalgar School for the academic year 2021/2022.
- b. The published admission number (PAN) for entry into the School is 135. The School will admit up to the PAN in the normal year of entry which is Year 7. Where there are more applications for admission than places available at the School, then places will be offered in accordance with the oversubscription criteria at Section 3 of this Policy.
- c. Where a child has an education, health and care plan (EHCP) which names the School, then that child will be admitted to the School and the number of available places in the PAN will reduce correspondingly.
- d. When applying to start school in Year 7 in September 2021 you must apply to your home Local Authority ("LA"). All applications for admission must be received by your home LA by the closing date of 31 October 2020. The home LA will make a single offer of a place on 1 March 2021 (or next working day).

2. Religious Character of the School

The School does not have a religious character.

3. Oversubscription Criteria

Where the School is oversubscribed (there are more applicants than places available) places will be allocated in accordance with the following criteria and in the following order. Please read the explanatory notes for further guidance.

a. Looked After Children or Previously Looked After Children

A child who is in the care of an LA, or was in the care of an LA but immediately after being looked after became subject to an adoption, child arrangement, or special guardianship order.

b. Vulnerable Children

A child is eligible in this category where the child has an identified social or medical need.

- c. Children living in the Catchment Area with a sibling at the School
A child living inside the Catchment Area is eligible for this category where they have a sibling attending the School on the date of application and the sibling will still be attending the School at the time of admission.
- d. Children living in the Catchment Area
- e. Children living outside the Catchment Area with a sibling at the School
A child living outside the Catchment Area is eligible for this category where they have a sibling attending the School on the date of application and the sibling will still be attending the School at the time of admission.
- f. Children of Staff at the School
Children of staff employed at the school for two or more years at the time at which the application to the school is made and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
- g. All other children

Tie Breaker

If there are not enough places to satisfy all the applications under any one criterion, priority will be given to those living nearest the School. The School will adopt the measurement system of Wiltshire Local Authority to determine the distance from the School to the Home address. Where two or more applicants live an equal distance from the School and it is not possible to differentiate between them, priority will be determined by random allocation through the drawing of lots supervised by someone independent of the School.

Oversubscription Criteria : Explanatory Notes

Catchment Area means the geographical area from which children will be afforded priority for admission to the School. A map indicating the Catchment Area is annexed to this Admission Policy and available to view on the School website. A hard copy is available at the School office.

Vulnerable Children

- (i) **Medical need** means where written evidence has been provided from a senior clinical medical officer or the child's general practitioner / specialist showing that the child's condition would make it detrimental to the child's health not to admit him/her to the School. This may include written evidence where the parent has a medical need and/or disability which would make it detrimental for the child to attend a different school. Evidence to be relied upon must be submitted with the Supplemental Information Form and sent to the School on or before 31st October 2020.
- (ii) **Social Need** means where the child is of confirmed refugee status. Written evidence of this status from the home LA must be submitted with the Supplementary Information Form and sent to the School on or before 31st October 2020.

Sibling means brother or sister, half brother or sister, adopted brother or sister, step brother or sister, foster brother or sister, or the child of the parent/carer's partner where the child for whom admission is sought is living in the same family unit as that sibling and at the same address.

Home address means the place where the child resides for the majority of the school week (Sunday to Thursday) with the person/s who legally has care of the child (child care arrangements are excluded). The School may require documentary evidence of house ownership or tenancy together with evidence of the child's residency at the property.

4. Supplementary Information Form (SIF)

- a. Where seeking priority under the vulnerable children criterion (3b) parents must fully complete the relevant part of the SIF and provide the required supporting evidence. Where relying on the vulnerable children criterion (3b) you must supply evidence to support the application.
- b. The SIF must be returned to the School Reception on or before 31st October 2020. The SIF is on the School website or a paper copy may be requested from the School office.

5. Appeals

- a. Where an application is unsuccessful the parents/carers have the statutory right to bring an appeal against that decision to an independent appeal panel. Details of how to appeal will be included in the letter advising that the application has been unsuccessful.
- b. The admission appeal timetable is published on the School's website by 28th February each year.

6. Important Information

a. Admission of children outside their normal age group

Parents may seek a place for their child outside their normal age group, for example if the child is gifted and talented or has experienced problems such as ill health.

Such requests should be discussed with the Headteacher as early as possible in the admissions process. This will allow the School sufficient time to make a decision regarding the request before the closing date for applications and national offer day.

Decisions to admit a pupil outside their normal age group will be based on the circumstances of each case and based on what is in the best interests of the child concerned. We may request supporting professional evidence to assist in the decision-making. There is no legal requirement for this medical or educational evidence to be secured from an appropriate professional. However, failure to provide this may impede our ability to make an informed decision.

b. Multiple Birth Applications

Where there are multiple birth applications the PAN will be exceeded or increased provided it is practicable at the point of allocation in order to ensure that multiple birth siblings can be allocated places at the School.

c. **Waiting Lists**

If the School is oversubscribed for September 2021 entry a waiting list will be maintained until 31st December 2021. The position of the child on the waiting list will correspond with the oversubscription criteria; it will not be based on length of time on the waiting list. The right of appeal at Section 5 remains. You may request your child's name be removed from the waiting list at any time. If a place is offered but refused then the child's name will be removed from the waiting list.

7. Withdrawal of an Offer

The School may withdraw an offer in certain circumstances, for example where it has been offered in error, has been made on the basis of a fraudulent or intentionally misleading application, or a parent has not responded to an offer of a place within a reasonable period of time.

8. In Year Admissions

- a. Applications for in year admission may be submitted at any time during the school year. The application form is on the School website or a paper copy may be requested from the School office.
- b. Where the School has no spaces available, because the admission of another child would prejudice the efficient education of others at the School or would prejudice the efficient use of resources, the application will be refused and a right of appeal, as set out in Section 5, will arise.
- c. The oversubscription criteria at section 3 will be only used where the School is considering more than one in year application at the same time and there are not enough spaces to accept all applicants.
